Being a V.I.P.\* means spending time at the Hotel Hospitale.

It may not have a red carpet, but those who stay here often wear gowns.

People may be obsessed with taking your picture.

Or hoping your heart beats for them.

But it's a place where your entourage sees to your every need.

And your fans cheer you on!

Things that are unique about me (hobbies, friends,  
family, interests):

"I like fruit baskets  
because it gives you  
the ability to mail  
someone a piece  
of fruit without  
appearing insane.  
Like, if someone  
just mailed you an  
apple you'd be like,  
"Huh? What is this?"  
but if it's in a  
fruit basket you're  
like, "This is nice!"
